STORY

A single man arose to face the evil threatening humankind! His name was Saitama. He became a hero for fun!

With one punch, he has resolved every crisis so far, but no one believes he could be so extraordinarily strong.

Together with his pupil, Genos (Class S), Saitama has been active as a hero and risen from Class C to Class B.

One day, a man named Garo shows up. He admires monsters, so he begins hero hunting. During a monster outbreak that is wreaking havoc, Garo clashes with Metal Bat, while elsewhere Miss Blizzard faces the monster known as Super S.

Meanwhile, Saitama has cleared the first round in a martial arts tournament!

ONE-PUNCH MAN

ONE + YUSUKE MURATA

My name is Saitama. I am a hero. My hobby is heroic exploits. I got too strong. And that makes me sad. I can defeat any enemy with one blow. I lost my hair. And I lost all feeling. I want to feel the rush of battle. I would like to meet an incredibly strong enemy. And I would like to defeat it with one blow. That's because I am One-Punch Man.
